- State Funded Program – Fees paid can be carried over and expensed in the next State fiscal year for additional services.
- County Policy on non-payment of fee may result in service termination.
- Scale based on *200% U.S. Poverty Guidelines.
- Income is self-declared.
- Allowances must be made for medical expenses by reducing income in the amount of the annual expense incurred. (Example: Income \$29,000 minus Annual Medical Expenses \$8,000 = Income would be reduced to \$21,000.)
- The Agency is still responsible for \$1.00/hour for each hour of service provided.
