

Title VI

Limited English Proficiency (LEP)

The Jefferson County Council on Aging would provide assistance to those clients with Limited English Proficiency (LEP). We have resources available such as employees who have been trained in Basic Sign Language and some employees who speak Some basic Spanish. If additional interpretations are needed, then we would contact our local DHHR for assistance.

Additional information can be requested by contacting the Jefferson County Council on Aging at 304-725-4044.
